Executive Summary

Experienced software engineer with 4.5 years in the field and specializing in WordPress development for 4 years. Expertise includes Elementor, ACF, custom post types, and WooCommerce integration. Proficient in optimizing and securing WordPress sites, with hands-on experience in Laravel and Shopify. Proven track record of delivering high-quality web solutions that surpass client expectations. Strong in problem-solving and project management, thriving in both leadership and collaborative team environments.

Experience

Dizayn.io Creative Studio Senior Wordpress Developer

Jan 2024 - Present
Ahmedabad, Gujarat

Led the development of 12+ websites from concept to completion, collaborating with clients and designers to ensure satisfaction and deliver seamless, visually appealing front-end experiences.

Key Achievements:

- Custom Inventory Sync: Engineered a custom script for syncing inventory between Sanmar and WooCommerce, as well as a similar solution for syncing inventory with Shopify, significantly enhancing operational efficiency for our client, DesignMyTee.
- E-Commerce Development: Developed a comprehensive e-commerce platform for Ammo, a USA-based ammunition distributor, streamlining online sales and boosting their market presence.

Cloudsine Technologies WordPress Developer

March 2023 - Dec 2023
Ahmedabad, Gujarat

Developed dynamic WordPress sites with ACF for flexible content management, utilizing Git for version control, Jira and Basecamp for project management, and Slack for team communication. Conducted client demos to effectively showcase site features.

Key Responsibilities:

- Created dynamic WordPress sites with ACF for flexible content management.
- Collaborated with QA to fix bugs and with designers to integrate HTML designs into themes.
- Successfully recovered multiple hacked websites, securing client assets.

Shreeji Software WordPress Developer

Spe 2020 - March 2023
Ahmedabad, Gujarat

Developed over 100 WordPress sites using Elementor and led 10 Shopify projects. Managed a WordPress team, overseeing technical and functional aspects of client sites, and handled cPanel, servers, and hosting management.

Key Responsibilities:

- Developed a diverse portfolio of e-commerce and agency websites with Elementor, delivering tailored solutions across multiple industries.
- Optimized site performance, ensured security, and performed site recovery.
- Collaborated with designers to integrate Shopify frontends.

CodeTrade India Pvt Ltd Software Engineering

Feb 2020 - Aug 2020
Ahmedabad, Gujarat

Provided training in PHP MVC architecture, HTML, CSS, Bootstrap, and Laravel. Developed frontend and backend components, collaborating with UI/UX designers for HTML integration.

Key Responsibilities:

- Trained in PHP, HTML, Bootstrap, CSS, Laravel, PhpMyAdmin, and Git.
- Contributed to backend integration, multi-language management, route definition, and login and registration functionalities.
